

# Index of 1996 Articles

## Volume 21 of *Rehabilitation Nursing*, January-December 1996

This index of articles that have appeared in *Rehabilitation Nursing* in 1996 is divided into two parts. The first part lists articles by topic area (e.g., aphasia) in this format: *title; author(s); issue number: initial page number*. In this listing, (CE) indicates that the article was offered as a continuing education feature, (P) indicates that it was published in the Perspectives department, (WV) indicates that it appeared in the World View department, and (GE) indicates a Guest Editorial. The second part of the index lists each author and the corresponding issue and initial page number of his or her article in this format: *author's last name, author's first name; issue number: initial page number*.

### Alphabetical Listing by Topic

#### Aphasia

Painting a Mural and Writing an Article: Creative Rehabilitation Strategies; Mary K. Skinner, Philip J. Nagel; 2:63

#### Bladder and bowel management

Do Rehabilitation Patients Continue Prescribed Bowel Medications After Discharge? (CE); Carolyn Graham, Chris Kunkle; 6:298  
Geriatric Rehabilitation: Nursing Interventions and Outcomes Focusing on Urinary Function and Knowledge of Medications; Barbara Resnick, Diane Slocum, Lynn Ra, Pat Moffett; 3:142  
The Impact of Spinal Pathology on Bowel Control in Children (CE); Joy Edwards-Beckett, Heather King; 6:292  
A New Technique in Independent Intermittent Catheterization: The Mitrofanoff Catheterizable Channel; Melinda J. Kurtz, D. Kiko Van Zandt, Lyn R. Sapp; 6:311

#### Brain injury/head injury

Brian's World (P); Lorraine Brennan; 3:152  
Operationalizing a Comprehensive Neurobehavioral Plan; Patricia Grindell, Lynne Le Blanc, Deanna Cawley; 2:91  
Psychosocial Issues Following Serious Head Injury: A Case Study of an Adolescent Girl; Helga Lára Helgadóttir; 5:258

#### Cardiac rehabilitation

Beyond Type A: Hostility and Coronary Heart Disease—Implications for Research and Practice; Linda R. Delunas; 4:196  
Cardiac Rehabilitation in the Elderly: Improving Effectiveness (CE); Jerilyn K. Allen, Barbara K. Redman; 4:182  
Cardiac Rehabilitation Survey: Maintenance of Lifestyle Changes and Perception of Program Value (CE); Paula M. Suter, W. Newton Suter, Michael K. Perkins, Susan L. Bona, Phyllis A. Kendrick; 4:192  
A Follow-Up Study of Ethnic and Gender Differences in Cardiac Rehabilitation (CE); Kathleen C. Romeo Ashton, Michael S. Saccucci; 4:187

#### Caregiving issues

Caregivers of People with Multiple Sclerosis: A Survey in New Zealand; Robert J. Gregory; 1:31  
Caring for the Caregivers: The Hidden Victims of Illness and Disability; Richard Holicky; 5:247  
Family Caregiving in Cases of Hip Fracture (CE); Margaret A. Williams, Marilyn T. Oberst, Barry C. Bjorklund, Susan H. Hughes; 3:132

Psychological Aspects of Lay Caregiving (CE); Rebecca A. Ruppert; 6:315

Cerebrovascular accident (CVA)/cerebrovascular disease (see Stroke)

Chronic obstructive pulmonary disease (COPD) (see Pulmonary rehabilitation)

Chronic pain (see Pain management)

Chronic wounds (see Skin care)

#### Creative rehabilitation strategies

"Aloha": An In-House Nursing Home Vacation; Donna W. Gipner; 3:139  
Painting a Mural and Writing an Article: Creative Rehabilitation Strategies; Mary K. Skinner, Philip J. Nagel; 2:63

Family caregivers (see Caregiving issues)

Family education (see Patient and family education)

#### Family relationships

Family Relationships and Adaptation to Spinal Cord Injury: A Qualitative Study (CE); Diana H. Rintala, Mary Ellen Young, Jean Cole Spencer, P. Sarah Bates; 2:67  
Family Support: Can It Be Measured? (P); Beverly Bilbo, Cynthia Mangum, Bernita Qualls, Elizabeth Sullivan; 6:326  
Psychological Aspects of Lay Caregiving (CE); Rebecca A. Ruppert; 6:315

#### Geriatric rehabilitation

Cardiac Rehabilitation in the Elderly: Improving Effectiveness (CE); Jerilyn K. Allen, Barbara K. Redman; 4:182  
Family Caregiving in Cases of Hip Fracture (CE); Margaret A. Williams, Marilyn T. Oberst, Barry C. Bjorklund, Susan H. Hughes; 3:132  
Geriatric Rehabilitation: Nursing Interventions and Outcomes Focusing on Urinary Function and Knowledge of Medications; Barbara Resnick, Diane Slocum, Lynn Ra, Pat Moffett; 3:142  
Predictors of the Use of Memory Improvement Strategies by Older Adults; Graham J. McDougall; 4:202  
Sexuality and Sexual Capacities of Elderly People (CE); Meredith E. Drench, Rita H. Losee; 3:118

**Group learning and teaching methods (see Patient and family education)**

**Head injury (see Brain injury/head injury)**

**Hip fracture**

Family Caregiving in Cases of Hip Fracture (CE); Margaret A. Williams, Marilyn T. Oberst, Barry C. Bjorklund, Susan H. Hughes; 3:132

**Incontinence (see Bladder and bowel management)**

**Interdisciplinary teamwork**

Assessing the Functional Level of Rehabilitation Teams and Facilitating Team Development (CE); Susan A. Wheelan, Judith M. Hochberger; 2:75

An Interdisciplinary Clinical Advancement Program Within a Patient-Centered Care Model (CE); JoAnn D'Aviro, Teresa Dotson, Barbara LaPierre, Wendy Marshall, MaryBeth Mishler, Jennifer L. Tanger; 3:132

Nursing Futures: A Process to Promote Change in the Delivery of Care; Ellen A. Wilson, Patricia L. Young; 6:307

Rehabilitation and Dialysis: A Collaborative Program; Marcia A. Grandstaff; 3:148

What Shall We Do About Phil? (P); Susan Yannoni; 1:41

**International rehabilitation nursing**

Caregivers of People with Multiple Sclerosis: A Survey in New Zealand; Robert J. Gregory; 1:31

**Medication**

Do Rehabilitation Patients Continue Prescribed Bowel Medications After Discharge? (CE); Carolyn Graham, Chris Kunkle; 6:298

Geriatric Rehabilitation: Nursing Interventions and Outcomes Focusing on Urinary Function and Knowledge of Medications; Barbara Resnick, Diane Slocum, Lynn Ra, Pat Moffett; 3:142

**Memory**

Predictors of the Use of Memory Improvement Strategies by Older Adults; Graham J. McDougall; 4:202

**Multiple sclerosis**

Caregivers of People with Multiple Sclerosis: A Survey in New Zealand; Robert J. Gregory; 1:31

**Neurological impairment**

Operationalizing a Comprehensive Neurobehavioral Plan; Patricia Grindell, Lynne Le Blanc, Deanna Cawley; 2:91

**Nursing assessment**

Caring for the Caregivers: The Hidden Victims of Illness and Disability; Richard Holicky; 5:247

Chronic Pain Syndrome: Nursing Assessment and Intervention (CE); Jolene M. Simon; 1:13

Development of a Chronic Pain Assessment Tool; Jolene M. Simon, C. Luis McTier; 1:20

Nursing Management of Pressure Ulcers Using a Hydrogel Dressing Protocol: Four Case Studies (CE); Heather Whittle, Cheryl Fletcher, Alicia Hoskin, Karen Campbell; 5:239

Pressure Sore Prevention in a Rehabilitation Setting: Implementing a Programmatic Approach (CE); Joanne Baggerly, Marie DiBlasi; 5:234

**Nursing care plans**

Beyond Type A: Hostility and Coronary Heart Disease—Implications for Research and Practice; Linda R. Delunas; 4:196

Operationalizing a Comprehensive Neurobehavioral Plan; Patricia Grindell, Lynne Le Blanc, Deanna Cawley; 2:91

Patient Transfer to Rehabilitation: Just Another Move?; Joan M. Nypaver, Marilyn Titus, Christine J. Brugler; 2:94

**Nursing education**

Save Our Skin (SOS) (P); Sandra Kenney Weeks; 5:267

**Nursing management strategies**

Assessing the Functional Level of Rehabilitation Teams and Facilitating Team Development (CE); Susan A. Wheelan, Judith M. Hochberger; 2:75

Nursing Futures: A Process to Promote Change in the Delivery of Care; Ellen A. Wilson, Patricia L. Young; 6:307

Operationalizing a Comprehensive Neurobehavioral Plan; Patricia Grindell, Lynne Le Blanc, Deanna Cawley; 2:91

Understanding Work Group Culture on Rehabilitation Units: The Key to Facilitating Group Innovation and Promoting Integration (CE); Harriet Van Ess Coeling, Lillian M. Simms; 1:7

**Nursing standards and practice**

Halo Skeletal Traction Pin Site Care: Toward Developing a Standard of Care (CE); Rhonda S. Olson; 5:243

**Oncology**

Rehabilitation Nursing Extends to Oncology Patients: A New Challenge for Rehabilitation Nurses (P); Suzette E. Grasso; 6:327

**Pain management**

Chronic Pain Syndrome: Nursing Assessment and Intervention (CE); Jolene M. Simon; 1:13

Development of a Chronic Pain Assessment Tool; Jolene M. Simon, C. Luis McTier; 1:20

Effects of a Multimodal Pain Rehabilitation Program: A Pilot Study; Susan W. Vines, Ann Cox, Leslie Nicoll, Susan Garrett; 1:25

The Painful Truth About Pain Management (GE); Renee Steele Rosomoff; 1:6

**Patient and family education**

Educational Interests of Individuals with Spinal Cord Injury Living in the Community: Medical, Sexuality, and Wellness Topics (CE); Karen A. Hart, Diana H. Rintala, Marcus J. Fuhrer; 2:82

Intimacy and Rheumatic Diseases; Kathy G. Dale; 1:38

Rehabilitation and Dialysis: A Collaborative Program; Marcia A. Grandstaff; 3:148

A Self-Management Program for Chronic Obstructive Pulmonary Disease: Relationship to Dyspnea and Self-Efficacy; Betty W. Zimmerman, Sylvia T. Brown, Josie M. Bowman; 5:253

Using Self-Efficacy Theory to Educate Patients with Chronic Obstructive Pulmonary Disease; Yvonne Krall Scherer, Sally Shimmel; 5:262

## Index of 1996 Articles

### Patient-centered care

An Interdisciplinary Clinical Advancement Program Within a Patient-Centered Care Model (CE); JoAnn D'Avirro, Teresa Dotson, Barbara LaPierre, Wendy Marshall, MaryBeth Mishler, Jennifer L. Tanger; 3:132

Educational Interests of Individuals with Spinal Cord Injury Living in the Community: Medical, Sexuality, and Wellness Topics (CE); Karen A. Hart, Diana H. Rintala, Marcus J. Fuhrer; 2:82

Using Self-Efficacy Theory to Educate Patients with Chronic Obstructive Pulmonary Disease; Yvonne Krall Scherer, Sally Shimmel; 5:262

### Pediatric rehabilitation

The Impact of Spinal Pathology on Bowel Control in Children (CE); Joy Edwards-Beckett, Heather King; 6:292

A New Technique in Independent Intermittent Catheterization: The Mitrofanoff Catheterizable Channel; Melinda J. Kurtz, D. Kiko Van Zandt, Lyn R. Sapp; 6:311

Psychosocial Issues Following Serious Head Injury: A Case Study of an Adolescent Girl; Helga Lára Helgadóttir; 5:258

### Perspectives

All in the Cards (P); Kathleen Ross; 4:211

Brian's World (P); Lorraine Brennan; 3:152

Family Support: Can It Be Measured? (P); Beverly Bilbo, Cynthia Mangum, Bernita Qualls, Elizabeth Sullivan; 6:326

I Had Heard All I Wanted to Know About Bed 1 in Room 11! (P); Debbie Lovell; 5:269

Life Began with a Loss (P); Judy Kapton; 2:98

No Place Like Home (P); S. Roselit Madappallil; 3:153

Rehabilitation Nursing Extends to Oncology Patients: A New Challenge for Rehabilitation Nurses (P); Suzette E. Grasso; 6:327

Rehabilitation Nursing Is "Like a Box of Chocolates" (P); Denice Scott; 4:210

Save Our Skin (SOS) (P); Sandra Kenney Weeks; 5:267

What Shall We Do About Phil? (P); Susan Yannoni; 1:41

### Pressure ulcer (see Skin care)

### Psychosocial issues in rehabilitation

Psychosocial Issues Following Serious Head Injury: A Case Study of an Adolescent Girl; Helga Lára Helgadóttir; 5:258

Psychological Aspects of Lay Caregiving (CE); Rebecca A. Ruppert; 6:315

Sexuality and Sexual Capacities of Elderly People (CE); Meredith E. Drench, Rita H. Losee; 3:118

### Pulmonary rehabilitation

A Self-Management Program for Chronic Obstructive Pulmonary Disease: Relationship to Dyspnea and Self-Efficacy; Betty W. Zimmerman, Sylvia T. Brown, Josie M. Bowman; 5:253

Using Self-Efficacy Theory to Educate Patients with Chronic Obstructive Pulmonary Disease; Yvonne Krall Scherer, Sally Shimmel; 5:262

### Quality measures

Nursing Futures: A Process to Promote Change in the Delivery of Care; Ellen A. Wilson, Patricia L. Young; 6:307

### Rehabilitation nursing role

All in the Cards (P); Kathleen Ross; 4:211

Assessing the Functional Level of Rehabilitation Teams and Facilitating Team Development (CE); Susan A. Wheelan, Judith M. Hochberger; 2:75

Nursing Futures: A Process to Promote Change in the Delivery of Care; Ellen A. Wilson, Patricia L. Young; 6:307

Rehabilitation Nursing Is "Like a Box of Chocolates" (P); Denice Scott; 4:210

### Renal disease

Caring for a Rehabilitation Patient with Chronic Renal Failure and End-Stage Renal Disease; Sandra E. Staney; 6:303

Rehabilitation and Dialysis: A Collaborative Program; Marcia A. Grandstaff; 3:148

### Rheumatic diseases

Intimacy and Rheumatic Diseases; Kathy G. Dale; 1:38

### Sexuality

Educational Interests of Individuals with Spinal Cord Injury Living in the Community: Medical, Sexuality, and Wellness Topics (CE); Karen A. Hart, Diana H. Rintala, Marcus J. Fuhrer; 2:82

Intimacy and Rheumatic Diseases; Kathy G. Dale; 1:38

Sexuality and Sexual Capacities of Elderly People (CE); Meredith E. Drench, Rita H. Losee; 3:118

### Skin care

Halo Skeletal Traction Pin Site Care: Toward Developing a Standard of Care (CE); Rhonda S. Olson; 5:243

Nursing Management of Pressure Ulcers Using a Hydrogel Dressing Protocol: Four Case Studies (CE); Heather Whittle, Cheryl Fletcher, Alicia Hoskin, Karen Campbell; 5:239

Pressure Sore Prevention in a Rehabilitation Setting: Implementing a Programmatic Approach (CE); Joanne Baggerly, Marie DiBlasi; 5:234

Pressure Sores and Pressure Sore Prevention in a Rehabilitation Setting: Building Information for Improving Outcomes and Allocating Resources; Joanne Baggerly, Marie DiBlasi; 6:321

Save Our Skin (SOS) (P); Sandra Kenney Weeks; 5:267

### Spinal cord injury (SCI)

Educational Interests of Individuals with Spinal Cord Injury Living in the Community: Medical, Sexuality, and Wellness Topics (CE); Karen A. Hart, Diana H. Rintala, Marcus J. Fuhrer; 2:82

Family Relationships and Adaptation to Spinal Cord Injury: A Qualitative Study (CE); Diana H. Rintala, Mary Ellen Young, Jean Cole Spencer, P. Sarah Bates; 2:67

The Impact of Spinal Pathology on Bowel Control in Children (CE); Joy Edwards-Beckett, Heather King; 6:292

### Stroke

Painting a Mural and Writing an Article: Creative Rehabilitation Strategies; Mary K. Skinner, Philip J. Nagel; 2:63

Reflecting on a Nurse's Personal Experience with a Stroke; Joan K. Austin; 4:176

### Teamwork (see Interdisciplinary teamwork)

Traumatic brain injury (see Brain injury/head injury)

Urinary incontinence (see Bladder and bowel management)

#### Rehab Clinical Nurse Specialist

**A**t the Medical College of Virginia Hospitals, our reputation for excellence is built on our commitment to providing a superior quality of patient care—and professional opportunity. Join our history of unmatched healthcare delivery and share our vision of things to come.

The Rehabilitation and Research Center at MCV meets the individual needs of patients, promotes community and professional awareness of the needs of the disabled, and advances the field of rehabilitation research. MCV receives more funding for brain injury research than any other institution in the country.

##### Requirements include:

- MSN
- Three to five years of Rehab experience
- CNS certification

We offer a first-rate salary and a flexible and comprehensive benefits package. For more information, please contact our recruiters at 1-800-755-NURSE or forward your resume to: MCV Nursing Personnel, P.O. Box 985811, Richmond, VA 23298; FAX: (804) 828-8873. We are an equal opportunity/affirmative action employer who strongly encourages applications from women, minorities and physically challenged individuals. TDD 1-800-828-1120.
